RE: Allen v. Chanel, Inc.
Civil Docket No. 1:12-CV-06758-RPP

Dear Judge Patterson:

MEMO ENDORSED

This office represents plaintiff in the above.

I am writing to request an adjournment of the conference scheduled for tomorrow November 14, 2012 at 11:30 a.m. to Tuesday, November 20, 2012 at 9:30 a.m.

This request is the first request by plaintiff to adjourn the initial conference although I have consented to at least two (2) prior requests by my colleagues who represent defendant.

The reason for my request is simple. I have a scheduling conflict in the Supreme Court, Suffolk County on three (3) matters. I did not realize this conflict existed until Friday when my power was restored (although I am still without heat or hot water and have poor phone, fax and internet service). I sincerely apologize for this oversight however, my home and office are located approximately eighty (80) feet from the Great South Bay and it is an understatement to say priorities have been changed by necessity. I greatly appreciate the Court's understanding based on these circumstances.

I can advise the Court I have the consent of defendant's counsel to this request.

Thank you for your attention to this matter. I can be reached directly on my cell phone if you wish to discuss this further. My number is 1-631-747-1187. I remain,

Very truly yours,

A handwritten signature in black ink, appearing to read "Christopher Thompson".
